

# You are invited...

On behalf of the 2017 organising committee, I would like to invite you to be part of the Pain Interest Group Nursing Issues (PIGNI) Annual Professional Day.

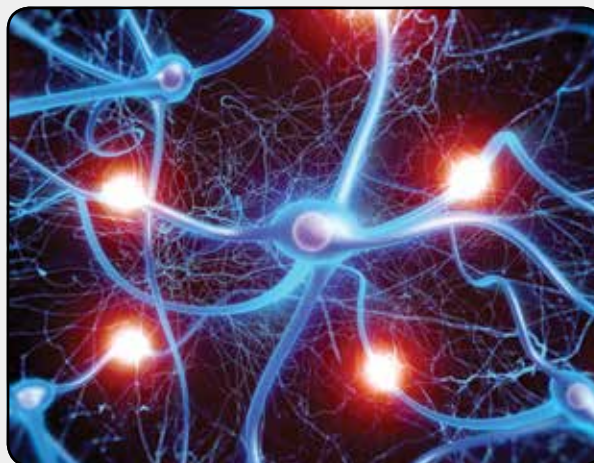

The theme **Perspectives of Pain** will cover a varied program with local and national experts addressing evolving issues in acute and chronic pain. The day provides an opportunity to network and meet others who have an interest in pain management.

**Bernadette Bugeja**

Chairperson, Pain Interest Group Nursing Issues

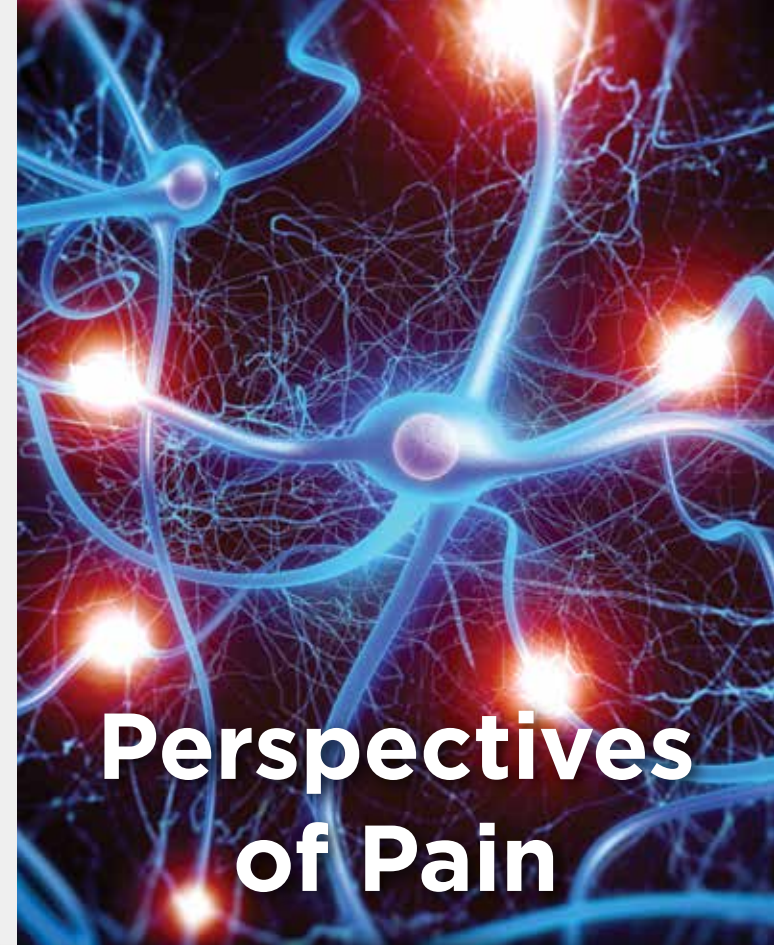

"A sub-group of
